**Palm Beach County Chapter  
Excellence in Promoting the Value of Certification**

The Palm Beach County Chapter (PBCC) is committed to enhancing critical care and progressive care nurses' knowledge and opportunity to become certified. To promote certification, PBCC will sponsor two virtual certification review sessions, and set up a raffle to win a certification exam fee and a drawing for a free certification review. PBC Chapter events will provide meaningful recognition to certified nurses. This recognition will showcase certified nurses through social media, and at monthly chapter meetings with specialty pins for PCCN or CCRN. Plus, an annual Certification Luncheon/Symposium will acknowledge certified nurses with a gift and awarded CEUs. Hospitals are informed and encouraged to spotlight their certified nurses in a designated area along with incorporating certification in the clinical ladder. This is the chapter's 50th anniversary; each year PBC Chapter Rises Together, proud to support nurses and their journey to certification.
